	<p>However, the underlying scheme may have exposure to any of the above instruments subject to compliance with clause 12.19.2 of master circular on Mutual Funds.</p> <p><u>Portfolio rebalancing due to short term defensive considerations:</u></p> <p>Subject to the SEBI (MF) Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. The Scheme may actively deviate from the stated asset allocation pattern outlined in the SID during extenuating circumstances. These instances may be beyond the control of the fund manager & the AMC and hence may require such deviations. Such changes in the investment pattern will be transitional in nature and will be undertaken as defensive considerations only in accordance with Para 1.14.1.2 of SEBI Master circular for Mutual Fund and as amended from time to time. Defensive considerations may be determined by the fund manager and /or AMC from time to time. In case of deviations on account of exogenous factors, the fund manager will endeavour to rebalance the Scheme within 30 calendar days from the date of such deviation. The intention being at all times to seek to protect the interests of the Unit holders.</p> <p><u>Portfolio rebalancing due to passive breaches:</u></p> <p>In case of passive deviation from the asset allocation pattern or various prudential limits prescribed under SEBI (Mutual funds) regulations, 1996 and circulars issued thereunder, the AMC shall follow process specified in Para 2.9 of SEBI Master circular for Mutual Fund as amended from time to time. In line with the circular, in the event of deviation from the mandated asset allocation limits mentioned in the SID or the prudential limits due to passive breaches such as corporate action, substantial rise/fall in the price of an underlying scrip, maturity of any underlying security, large redemptions, etc., the portfolio would be rebalanced within 30 business days from the date of deviation. Where the portfolio is not rebalanced within mandated timelines, justification in writing including details of efforts taken to rebalance the portfolio shall be placed before the Investment Committee. The Investment Committee, if so desires, can extend the timelines up to sixty (60) business days from the date of completion of mandated rebalancing period. In case the portfolio of the Scheme is not rebalanced within aforementioned mandated plus extended timelines AMC shall adhere to the requirements as laid down in the aforesaid SEBI circular. However, at all times, the portfolio will adhere to the overall investment objective of the scheme.</p>
<p>Investment Strategy</p>	<p>The scheme follows a passive investment strategy.</p> <p>The investment objective of the Scheme is to provide long term capital appreciation by investing predominantly in Schroder International Selection Fund Global innovation, an equity fund that aims to provide capital growth by investing companies worldwide which benefit from disruptive innovation and to invest a part of corpus in debt, money market instruments and / or units of liquid schemes to meet liquidity requirements from time to time. There is no assurance that the investment objective of the Scheme will be realized. The Scheme will be passively managed fund investing predominantly in unit / shares of Schroder International Selection Fund Global innovation. The investment made in the Schroder International Selection Fund Global innovation will be based on the subscriptions and redemptions received in the Scheme and within the overall limits specified by SEBI/RBI.</p> <p><u>About Schroder International Selection Fund Global innovation:</u></p> <p>The Fund is actively managed and invests at least two-thirds of its assets in equity and equity related securities of companies worldwide.</p> <p>Disruptive innovation typically means innovation (whether due to technology or otherwise) which changes a particular industry by creating new markets, products or service models. Disruptive innovation can be observed in many industries such as</p>
